Do you have a GatorLink account?

I have a GatorLink account, let me log in.

I've never been associated with UF and need a GatorLink account.

I have a GatorLink account but can't log in with it.

I can't remember my UFID or GatorLink account.

What is a Gatorlink account?  
A Gatorlink account is what the University of Florida uses to identify you. You will use it to access the University's course management system.  
Review our [terms of use](#) before creating a GatorLink account.

Acceptable Use Policy

This represents a summary of the University's Acceptable Use Policy. Users are required to comply with the entire policy, which can be found by clicking [here](#). Approval requirements are detailed in the full policy.

**Introduction**

University Information Technology (IT) resources are to be used for university-related purposes. Some examples of IT resources are computers, software, networks, and electronic devices. This policy applies to all users of university IT resources, whether affiliated with the university or not, and to all users of those resources, whether on campus or from remote locations. Users are responsible for following the University's Acceptable Use Policy.

**General Rules**

Users of university IT resources must comply with all applicable legal requirements. Users are responsible for any activity originating from their accounts. Users shall not share their accounts and passwords. Users shall not use IT resources to gain unauthorized access to anything. Disruptive use of university IT resources is not permitted. University IT resources shall not be used for commercial purposes without prior approval. Occasional personal use of university IT resources by employees is permitted when it does not consume a significant amount of those resources, is otherwise in compliance with this policy, and meets with the approval of the supervisor. The university may monitor the activity and accounts of any users of university IT resources. Communications made concerning university business are generally subject to the Florida Public Records Law and retention requirements. Users must not augment the university network infrastructure without prior approval. Additional requirements apply to the collection, use, storage, and maintenance of Restricted Data.

**Consequences of Violations**

Users who violate this policy may be subject to penalties and disciplinary action, including expulsion, dismissal, or revocation of user access.

Create Password

Your GatorLink password is valid for **365 days** or until you are prompted to change it. Contact the UF Computing Help Desk at 352-392-HELP (4357) or helpdesk@ufl.edu for assistance. Your GatorLink password must meet the following requirements.

1. It cannot be the same value as your GatorLink username.
2. It must NOT contain a word that is found in an English language dictionary.
3. It must be at least 8 characters long (instead of a password, you can use a 48-character "pass phrase." If so, fewer restrictions apply).
4. If it is less than 18 characters long, it must contain at least three of the following four elements:
  1. Numbers
  2. Lowercase letters
  3. Uppercase letters
  4. Punctuation or special characters.
